SUBJECT: Cyberstalking and harassment by Jason Goodman, DOB April 19

Ref: (a) Sweigert v. Goodman, USDC for the SDNY, 1:18-cv-08653-VEC
(b) Arizona Revised Statute § 13-2923

Dear Sir:

1. As you are well aware, you are involved in civil litigation (ref: (a)) with the undersigned. As part of this litigation the above address (Post Office Box 152) has been provided to the federal court and yourself. This postal address was provided to you as the official address for all court related communications.

2. On January 9, 2019 a video production was placed on your YouTube channel ("Jason Goodman") that depicts you in front of the Mesa, Arizona post office (Internet URL: <https://www.youtube.com/watch?v=pmnscVplJNQ>) The following text appears in the video description:

Question for Legal Experts – Has D. George Sweigert Committed Mail Fraud?

Streamed live on Jan 9, 2019

D. George Sweigert has brought a civil suit against Jason Goodman based on fraudulent claims. Sweigert has changed his address three times since initiating the suit. His current address, listed in public filings with the court, is a PO Box in Mesa AZ. Only problem is, when I called them in November, the Post Office said D. George Sweigert is not the owner of that P.O. Box. What is going on in Arizona?

3. The following statements are made by you in the video content.

00:14 GOODMAN I am in beautiful Mesa, Arizona conducting a little investigation. You see, I am actually at the post office. And I wanna find out is this post office has the zip code 85211.

01:10 GOODMAN I wonder if they could answer that question for me inside the post office. Maybe there is a postal inspector. Or the postal police. I wonder if it is a federal offense to misrepresent your address and send legal documents from – or compel someone else to send them to – a post office box that is not your post office box.

4. In Arizona such activities as described in your video constitute a violation of ref: (b); e.g. to conduct such “investigations” to locate the physical address of a litigant for the purposes of placing them in peril or jeopardy.

5. The “Jason Goodman” channel is riddled with videos directed at the undersigned that have no legitimate newsworthy value. The general public is not interested in your personal affairs and your conduct is not constitutionally protected speech.

6. The reverse is true. This video production was designed to create unnecessary alarm, distress and emotional injury. Further, you have implied criminal activity by the undersigned.

7. In a follow-up video posted on January 9, 2019 you again repeat the insinuation of mail fraud and communication with the postal inspection service (URL: <https://www.youtube.com/watch?v=MU15QkEgHMA>). The following text appears in the video description:

Michael Barden Targeted Individual – How to Survive an Economic Attack Intended to Disrupt Income

8. The following comments are made by you:

30:46 GOODMAN Going to and speaking to the Postal Inspector at the Mesa, Arizona post office. About conspiracy to commit mail fraud.

9. As you are well aware, you appear in the second video with Michael J. Barden (DOB: March 1978) who has pled guilty to aggravated assault with a deadly weapon and is awaiting sentencing. Mr. Barden has uploaded to his YouTube channel (URL: <https://www.youtube.com/user/barbender>) dozens of videos of dangerous driving, approaching strangers to evangelize them about “gang stalking”, discussing his psychological evaluation (three (3) hours of videos), etc.

10. A few months ago, a complaint was filed against you with the State Bar of Arizona to document your on-line “legal sessions” with Mr. Barden. In one of the dozen or so “legal sessions”, you advised Mr. Barden not to accept the plea arrangement worked out for him by an Arizona attorney (Marc J. Victor).

11. Based on reason and belief, it is assumed that you are grooming Mr. Barden to conduct more violent acts – only this time directed at the undersigned. In the videos in which you both appear, Mr. Barden seems to have clearly developed an unhealthy emotional attachment to you as he has gone so far as to place stickers on his personal automobile that spell out “CROWDSOURCE THE TRUTH”. Your behavior in these videos, and your unusually close emotional relationship with Mr. Barden, is truly frightening. Mr. Barden has shared many frightening paranoid delusions on his YouTube channel and yours.

12. As a courtesy to you I have forwarded a copy of this letter to the appropriate prosecutorial authorities with the recommendation for your prosecution. Also, I have included a copy of this letter to pertinent parties at YouTube, LLC.

Respectfully,

D. George Swigert
