**SUBJ: NOTICE OF INTENT TO SUE**

**Ref: (a) 18 U.S.C. § 1038**

**Gentlemen:**

1. As you are well aware, your actions caused the closure of the Port of Charleston, South Carolina on June 14<sup>th</sup>, 2017. As noted previously, Mr. Goodman has been recorded "texting" Dr. Jerome Corsi during the video broadcast of "CLEAR AND PRESENT DANGER" on the "Jason Goodman" channel.
2. The financial losses to the MAERSK SHIPPING line (to include reputational damage) have been estimated at \$4,100K. This is an amount that both of you are liable for.
3. Under the private right of action provisions of ref: (a) a federal lawsuit shall be commenced against both of you in the U.S. District Court for the District of Maryland. You both may want to seek legal counsel to aid and assist you in your defense.

4. There remain unanswered questions about the willful mis-direction of U.S. Department of Homeland Security investigative personnel by you both, so courtesy copies of this letter and a copy of the technical report "Port of Charleston, Dirty Bomb Hoax and Social Media Liability" are provided to the below addressees.

5. You may want to review the Terms of Use of PATREON which transfers the liability of legal expenses to the PATREON content providers (Goodman/Sweigert). As George Webb Sweigert is facing Rule 11 sanctions in a federal lawsuit openly supported by Mr. Goodman, you may wish to act accordingly.

Kind regards,

D. George Sweigert
