RICHMOND DIVISION

ROBERT DAVID STEELE, ET. AL.

Plaintiff,

vs.

JASON GOODMAN, ET. AL.

Defendant

Case No.: 3:17-cv-601-MHL

DECLARATION OF JACQUELYN WEAVER

DECLARATION OF JACQUELYN WEAVER

Now comes Jacquelyn Weaver to inform this Court of the false allegations made against Jacquelyn Weaver by defendant Jason Goodman in Document 78, DEFENDANT'S OPPOSITION TO THE MOTION TO INTERVENE, filed March/08/2019. I hereby attest that the following statements are made under the penalty of perjury.

Jason Goodman has stated in Document 78, page 3, lines 3-11 (I. Factual Background), "This legal action is a product of a conspiracy between Plaintiff, Intervenor Applicant and numerous third party co-conspirators. Among these parties are Intervenor Applicant's brother George Webb Sweigert (Webb), Manual Chavez III aka Defango (Chavez), Frank Bacon, believed to be Tyroan Simpson (Simpson), Nathan Stolpman (Stolpman), co-Defendant Susan Lutzke aka Susan Holmes aka Queen Tut (Lutzke), Steve Outtrim (Outtrim), Dean Fougere aka Titus Frost (Fougere), Kevin Allen Marsden (Marsden), Mari Rapp aka Sugar

1 Shine (Rapp), Jacquelyn Weaver (Weaver) and other unknown parties operating under various  
2 online aliases.”

3           On page 1 of Document 78 Jason Goodman asserts, “ Plaintiff Steele and  
4 Intervenor Applicant Sweigert have been conspiring together and with intermediaries for more  
5 than one year and in an ongoing fashion to create and monetize a harassment campaign (The  
6 Campaign) intended to disrupt the Defendant’s business, personal life and worldwide reputation,  
7 and chill Defendant’s journalistic endeavors which have revealed **evidence of felony crimes by**  
8 **Plaintiff, Intervenor Applicant and third-party co-conspirators.** The Campaign has  
9 consisted of persistent manufacturing and dissemination of false claims, deliberate libel and  
10 slander, predicate acts...”

11           Jason Goodman makes numerous allegations and provides exhibits, yet **there is**  
12 **not one statement of fact, nor any evidence provided in Document 78 that implicates**  
13 **Jacquelyn Weaver in any of these conspiracy charges.**

14           I, Jacquelyn Weaver, am the author of an online blog at  
15 trackingmeroz.wordpress.com, called *Tracking the Leopard Meroz: A Christian Commentary on*  
16 *Judges 5:23.*

17           Since June 14, 2017, when the Port of Charleston was shut down for 8 hours due  
18 to a *dirty bomb* false report, I have been following this story, and writing about the persons  
19 associated with the origination of this event, as well as side “human interest” stories. I have  
20 written about Robert David Steele, Jason Goodman, Queen Tut aka Susan Lutzke, George Webb  
21 Sweigert, David George Sweigert, Manuel Chavez III and Steve Outtrim. In addition, I have  
22 mentioned Frank Bacon and Kevin Alan Marsden.

1           Since mid-2017, I have published 128 posts; 46 represent PACER court  
2 documents which have been filed in two federal civil lawsuits: *Robert David Steele vs. Jason*  
3 *Goodman, Queen Tut (Lutzke) and Patricia Negron and D. George Sweigert vs. Jason Goodman.*

4           Other PACER court documents I publish are in regard to about one-third of my  
5 articles representing my research into the anti-government/sovereign citizen/Tax Protestor  
6 ideology. In conjunction with this topic, I am a moderator in a Facebook group founded by  
7 former IRS Appeals Officer, Robert Baty, which discusses criminal and civil cases connected  
8 with these anti-government groups. Another one- third of my articles are a mix of Alternative  
9 Media topics including the abuses of free speech and the freedom of the press.  
10  
11

12           On page 10, line 17 of Document 78, Jason Goodman states, "Sweigert, Steele  
13 and their co-conspirators engage in a form of acting they call Live Action Role Playing (LARP).  
14 I DENY this allegation as I write my blog using my legal name, and I have another website that  
15 has photos of my home, family, trip to Scotland, crafts, etc. Until recently, Jason Goodman and  
16 his associates were asserting that David Sweigert is the author of my blog, and that I do not exist  
17 as a real person, as I demonstrate in EXHIBIT A.  
18

19           On January 10, 2019, I wrote an article called *Mindless Loitering Under A Gas*  
20 *Light: Jason Goodman and Michael Barden Attempt to Reverse Engineer Their Legal Problems.*  
21 This article was written in response to 3 videos published by Jason Goodman on *Crowdsorce*  
22 *the Truth* on January 9, 2019, which made insinuations about the relationship between the author  
23 of *Tracking the Leopard Meroz* and David Sweigert, the plaintiff of the RICO lawsuit against  
24 Jason Goodman. On page 4, I said, "Here is what I had written as an update on the Michael  
25 Barden article, which I am reposting because Jason Goodman and Michael Barden are  
26 insinuating that an organized gang stalking campaign exists against them, based  
27  
28

1 **apparently on the fact that *Tracking the Leopard Meroz* publishes public court records**  
2 **which involve them.”** (See EXHIBIT A.)

3  
4 In this Exhibit A article, I document with screenshots a conversation which took  
5 place on Michael Barden’s Facebook page that shows that the Facebook Administrator for  
6 *Crowdsource the Truth*, Casey Whalin, had accused me of lying about my identity. Whalin  
7 claimed that my name is not really Jacquelyn Weaver, but Dave Sweigert. I have a copyright  
8 notice on my blog that identifies Jacquelyn Weaver as the author of *Tracking the Leopard*  
9 *Meroz*. During this Facebook discussion, Jason Goodman made the statement, “NO THREATS  
10 OR SUGGESTIONS OF THREATS SHOULD BE MADE ON SOCIAL MEDIA OR  
11 ELSEWHERE.”

12  
13 On March 9, 2019, I posted on *Tracking the Leopard Meroz*, PACER documents  
14 representing *Robert David Steele vs. Jason Goodman: Document 78 - Defendant’s Opposition to*  
15 *the Motion to Intervene*.

16  
17 The day prior, on March 8, 2019, I had written an article titled, *The Ouroboros*  
18 *Effect: Jason Goodman of Crowdsource the Truth with David Hawkins of Reverse Engineered*  
19 *CSI Storyboards*. One of my regular readers left a comment on this article expressing a negative  
20 opinion of Jason Goodman’s *Crowdsource the Truth* YouTube channel.

21  
22 Jason Goodman countered my reader’s comment on March 9, 2019. (See  
23 EXHIBIT B). I have excerpted a portion of Jason Goodman’s comment, saying, “If you believe  
24 the biased propaganda presented on this blog, you might ask yourself why Weaver has refrained  
25 from editorializing her latest post regarding the docket entry 78. She has merely presented the  
26 court documents without her usual grossly slanted commentary, which is coincidentally  
27 continually lauding the very individuals behind the alleged conspiracy to create a harassment for
