The Plaintiff and the Defendant

2. Plaintiff Gabriel Alan Hoffman is an individual and is a resident of Palm Beach County, Florida. The plaintiff is the founder of Accipiter Capital Management, LLC. (“Company”) which is a hedge fund, located in Palm Beach County, Florida. The plaintiff is a highly respected and well known investment manager who regularly appears on television addressing a wide range of business issues and financial investments. As such the plaintiff’s livelihood and success are inextricably connected to his unassailable integrity and hard-won relationships with his investors. The plaintiff maintains relationships with prominent and well-known individuals in the financial markets and financial management industry and relies on his excellent reputation and unassailable integrity to attract and maintain his investment capital for his Company’s operations. In addition, the plaintiff is a well-respected philanthropist, who solely funded and produced the groundbreaking documentary film exposing child sex abuse in Hollywood, “An Open Secret”. “An Open Secret” has generated extensive worldwide press and critical acclaim, by many major publications, television, and widely viewed forms of alternative media. Two years ago, the plaintiff released his \$1.5 million budget documentary film free to the public on Vimeo.
3. The plaintiff says and the fact is that the film immediately went viral, has been watched by many millions of people worldwide, and has been publicly endorsed by numerous film critics, celebrities, and many other notable people. Millions of people have seen the plaintiff in live interviews, or in print / internet media worldwide, discussing his film.

4. The defendant is an individual residing in the City of Toronto. He is of limited or no financial means and education and has a self professed history of mental illness. Regardless, the defendant is one of a circle of individuals in the United States and Canada who engage in the on line exchange of “conspiracy” theories and related commentary. In so doing, the defendant has intentionally seen fit to target the plaintiff with defamatory on line comments, posts, videos and other content with the intention of lowering the plaintiff’s reputation and harassing the plaintiff.

Background to This Action

5. On October 11, 2019 the plaintiff found that a tweet had been posted at the Twitter account for the plaintiff’s film, An Open Secret. The tweet was from an anonymously-named Internet account, the owner of which was unknown to the plaintiff at that time: @stepho_11. can be found at:

https://twitter.com/stepho_11/status/1182531891636920320?s=20

<https://tweetstamp.org/1182531891636920320>

6. This tweet was posted in reply to the film’s Twitter account @anopensecret as follows:

“Hey Hoffman, did you order a hit on Isaac? You act like a psychopath!”

7. At that time, the plaintiff blocked the user from both the Twitter account for the film, as well as his personal Twitter @gabehoff.
8. On November 7, 2019 the plaintiff first became aware that the defendant was the maker author and poster of a number of defamatory videos by monitoring the social media of Thomas Schoenberger, an individual against whom the plaintiff had filed a defamation lawsuit on October 28, 2019 in the United States. The social media contained a link to a YouTube video posted at 5:27 PM on Nov. 7 2019. The video is found at:

<https://twitter.com/WatchingWtrBoil/status/1192569185047441408?s=20>

<https://tweetstamp.org/1192569185047441408>

9. The video contains a defamatory statement, approximately 1:15 into the video. It reads: “Gabe Hoffman – Jewish terrorist a chief suspect in the murder of Isaac Kappy”. At the video’s conclusion a link to a PayPal account was advertised, requesting donations.

10. The plaintiff then discovered that the same user had also created 5 other videos, on October 13, October 20, November 3, and November 6, 2019.

11. The plaintiff then discovered that the defendant maintains a YouTube channel, titled “Zack Quaid”, and found his email address, which had been posted publicly as zackmcquaid2015@gmail.com, which contained his actual full name.

12. The plaintiff also then discovered on Thomas Schoenberger’s Twitter feed a November 6, 2019 tweet at 7:18PM, replying to @stepho_11 “good work Zach”, in response to the account @stepho_11 posting a link to another defamatory video created on the same YouTube channel, “Isaac Kappy’s Real Deadman’s Switch”, this is found at:

<https://twitter.com/WatchingWtrBoil/status/1192234754743001089?s=20>

[Replying to @stepho_11 and 16 others](#)

Good work Zach !!!. @99freemind (Amazing Polly) just posted...excellent researcher with serious investigative chops and a huge following !@LouderThanLove1 @steveoutrim @ImperatorTruth

13. The plaintiff also found a tweet at 4:45 PM Nov 6, 2019 to the defendant on his @stepho_11 account, instructing McQuaid to set up a PayPal account, to receive donations, ostensibly in return for McQuaid's creation of defamatory YouTube videos about the plaintiff as follows:

<https://twitter.com/WatchingWtrBoil/status/1192196372918747136?s=20>

<https://tweetstamp.org/1192196372918747136>

[Replying to @stepho_11 and 37 others](#)

“That is a hell of a video. Set up a PayPal account, people will donate. You are really talented!”

14. Contained in the defendant's twitter account @stepho_11, was a reference to the defendant's admission of a history of mental illness. The Mental illness documentation is found at:

https://twitter.com/stepho_11/status/1171452152906014721?s=20

<https://tweetstamp.org/1171452152906014721>

<https://tweetstamp.org/1171860517956329476>

15. On Friday November 8, 2019 the plaintiff wrote an email to the defendant as follows:

“Zack, I am willing to speak with you about what is going on. Dialogue never hurts. Let's schedule a conversation, a day and time, on Google Hangouts”. Gabe Hoffman

16. The defendant answered at 8:29 PM on Friday November 8, and his response demonstrated that dialogue about his defamatory videos was out of the question

“Hi Gabe...no. I know what is going on and I already know you know that my relative is an active FBI agent. You are getting screwed by Defango behind your back... He is recording your convo's for Feds..... Think I am kidding?... Go ask Priest to hire one of his china hackers. Friction between Brett and Cory as well. It's falling apart. Good luck. God bless you.”

17. The plaintiff also attempted to contact a family member of McQuaid, to inform them of his actions. On Nov. 8, 2019 the plaintiff sent Terri McQuaid, a Facebook message on which contained a description of Zachary's actions, a link to his Twitter profile @stepho_11, and a link to a defamatory video McCquaid produced on his YouTube channel. Mrs. McQuaid responded on the morning of Nov. 12, 2019 and her initial response included the statement:

“Zach has serious mental health issues... I'm overwhelmed by it all. Please give me an hour or so and I'll get myself prepared for what I am possibly going to see.”

18. On the morning of November 13, 2019 the plaintiff sent Mrs. McQuaid a link to a newly-created video by the defendant, concerning a video he made on the evening of November 12. The video is “I am being hunted” in Schedule A. At about 20 seconds into the video, the false and defamatory claim is made that the plaintiff “he has now started to stalk my family” and “he contacted my mother and attempted to frighten her...” At 44 seconds the video states “Gabe Hoffman is a Jewish terrorist operating on American soil”. The video contained a disturbing image of a ring of fire.

19. The plaintiff says that after November 8, he began to regularly check the defendant's YouTube channel every few days. Notwithstanding the plaintiff's attempts to compel a retraction of the offending internet material and notwithstanding appeals to the defendant's family, the defamatory campaign of the defendant of the plaintiff continued.
20. The plaintiff says that has severely curtailed his ability to spend time on social life, exercise, and hobbies, outside of the substantial and challenging work requirements of his job as an investment manager. The defendant's campaign and internet defamation and harassment has left him depressed, shocked, and troubled.
21. As of the date of this pleading, the defendant has posted over 25 defamatory tweets and over 25 defamatory videos in a period of just over a month.
22. As of Dec 10, 2019, one of the defendant's 2 YouTube channels has had nearly 37,000 views, the overwhelming majority of which are derived from views of videos which specifically and repeatedly defame him personally. These videos falsely label the plaintiff as a "Jewish terrorist"; falsely accuse him of murder-for-hire, stalking, and many other serious crimes.
23. McQuaid's defamatory videos have been promoted by other individuals defaming the plaintiff on the Internet, particularly Thomas Schoenberger, against whom the plaintiff had filed a defamation lawsuit on October 28, 2019.
24. In addition, the defendant's defamatory videos have also been posted, and promoted, by individuals with significantly larger media platforms, which has added greatly to the plaintiff's emotional distress.

25. For example, the defendant has created a defamatory video of Nov 6 “Isaac Kappy’s Real Deadman Switch”, in which the plaintiff is falsely defamed as follows 8 “he knows the mob is looking at him and saying ‘Bubbie, you are drawing way too much attention to us’ “and “Gabe Hoffman is a gatekeeper and was ordered to attack Isaac by Steven Spielberg & other heavy hitters in Hollywood”.

26. The defendant’s extremely defamatory video by McQuaid has been posted and promoted by Steve Outtrim, a New Zealand millionaire, on both his twitter account @steveouttrim, which has over 6,500 followers, and his twitter account @burnersdotme, which has over 15,000 followers. This video was also repeatedly been linked on Outtrim’s website “burners.me”, a website that receives substantial web traffic.

<https://burners.me/2019/12/05/an-open-secret-asks-why-heres-why/>

27. Media has described Outtrim’s burners.me website as “The Fox News of Burning Man”, a label which Outtrim heartily embraced.

<https://burners.me/2014/12/10/fox-news-of-burning-man/>

28. Burning Man receives regular and widespread coverage in American pop culture, television, film, and news reports. https://en.wikipedia.org/wiki/Burning_Man

“**Burning Man** is an event held annually in the western United States at Black Rock City, a temporary city erected in the Black Rock Desert of northwest Nevada, approximately 100 miles (160 km) north-northeast of Reno, and a thriving year-round culture generated by a global community of participants.”

Roughly 70,000 participants travel to a remote location in Nevada for a week.

29. McQuaid's defamatory videos have also been repeatedly copied from his YouTube channel, and re-posted by others who seek to defame him.

30. Thus, the continued availability of McQuaid's many defamatory videos on his YouTube channels, particularly the copying and re-posting of McQuaid's defamatory videos by others, represents a clear, growing, and irreparable harm to the plaintiff's reputation and sense of security.

The Threat of Personal and Physical Harm

31. The plaintiffs say and the fact is that the internet communications created, authored, and posted by the defendant has exposed the plaintiff and his family to personal risk and physical harm by internet vigilantes and hackers. Unless properly restrained by this Honourable Court, the defendant will continue his on going vicious attacks.

Particulars of Postings

32. Particulars of some of the postings discovered to date as they affect the plaintiff in this Action are set out in Schedule A.

33. The plaintiff says and the fact is that the above defamatory posts are easily accessible on the internet and come up on search engines when searching the plaintiff by name. The said posts falsely accuse the plaintiff as being *inter alia* a terrorist, a murderer, a stalker, and one who attacks victims of pedophile attacks.

34. The plaintiff says that the said statements in their entirety and in their context are false, incapable of justification, and defamatory of the plaintiff. The defendant refers to the plaintiff by name and includes photos of him with further defamatory statements written on the photos. The sole purpose of the statements is to defame, disparage, and ruin the plaintiff's reputation.

35. The plaintiff says that the defendant published the statements with malice knowing that they were false, or with reckless disregard as to whether there were true or not. The defendant published the statements maliciously in that he had some improper and ulterior motive in publishing them.

36. Particulars of the defendant's malice include:

- a) He had no honest belief in the false and defamatory information contained in the statements because he knew or ought to have known the defamatory information was false and fabricated;
- b) He had a reckless disregard for the truth in what he published in the defamatory statements because he took no steps to properly verify the truth of the information;
- c) He has not published any apology or retraction to the plaintiff.

Damages

37. The plaintiff says and the fact is that the statements have impugned the professional and personal reputation and integrity and character of the plaintiff. The plaintiff has suffered unnecessary personal embarrassment, humiliation, anxiety, and distress as a result.

Aggravated and Punitive Damages

38. The malicious and high handed callous and arrogant conduct of the defendant in publishing the defamatory statements displays a wanton and flagrant disregard for the plaintiff's rights. The

defendant has acted in a premeditated and calculated manner and has deliberately and maliciously defamed the plaintiff.

39. In the circumstances, the defendant is liable to the plaintiff for aggravated and punitive damages.

Interim, Interlocutory and Permanent Injunctions

40. The plaintiff says that he has a prima facie case of defamation as against the defendant and will suffer irreparable harm if he is not restrained from continuing to publish defamatory statements about the plaintiff and if he is not ordered to remove all such statements already published. The balance of convenience favors the granting of the interim, interlocutory and permanent relief sought.

41. The plaintiff says that a permanent injunction is an appropriate remedy once this action has been adjudicated as future damages for defamation will be difficult to quantify and damage to reputation cannot be satisfactorily repaired with an award of damages

Harassment

42. The plaintiff says further that the defendant has acted in a manner designed to molest, vex, harry and harass the plaintiff for improper or collateral purposes by engaging in on going internet based defamation.

43. Although not required by the law off Ontario to do so, the plaintiff has served a Notice of Intended Action pursuant to section 5 of the *Libel and Standards Act*.

44. The plaintiffs plead that this Action be held in the City of Toronto.

			Post by Zach Quaid in the comments section: @liz lowery Gabe and his crew of thugs are going downwwwn. Don't be too confused ;) Easy to be confused about all of this information. They WANT us to be confused. Basically Steven Spielberg hired the hit on kappy and Gabe got his minions to look into Isaac and figure out everything that he had that was proof about all these high up people and himself (Gabe of course) and his minions, Gabe's, infiltrated kappy's mission in this and set up his murder, as well as threw their own curses unto him. Whether that worked or not, they did mess with his head with things like voice to skull technology. But they are still being exposed... and all of them. Green, Culkin, etc still. But Gabe is at the top of the conspiracy with Spellberg and Defango, etc. And now we are exposing THEM and they are freaking out now.
